Quote:

Simone Giannelli (Trentino Itas): *"In order to ensure our qualification for the quarter finals of the competition, in the last two matches we need to score as many points as possible. So we will try to win this challenge with Civitanova, well aware of the fact that our opponents are very strong. They are the reigning champions and this season they have already beaten us twice. However, our team is improving and I'm convinced that by playing well we can put our opponents in serious trouble."*
