IN THE WORDS BY... *"Objectively we didn't know very good Roeselare, but we had enough time to prepare with attention this double meeting – says the head coach Radostin Stoytchev - ; now I can't say that in the home match we will have more advantages than in the away one. It will depend on our form but we are aware that we must win the first match with the best score possible because, Knack have won two home match and lost only one 3-2. The away match will not be easy, that is why we have to win at PalaTrento".*

JUANTORENA BEST SPIKER OF THE LEAGUE ROUND

(press info for immediate release)

THE CUBAN PLAYER WILL RECEIVE TONIGHT THE AWARD AS BEST SPIKER OF THE MEN'S LEAGUE ROUND

Before the match between Trentino BetClic and Knack Randstad Roeselare the Cuban player Osmany Juantorena will receive tonight the award as best spiker of the men's League round. Juantorena is the athlete still in running for the final award with the highest efficiency in attack: 61,3% with 81 points of total 132 balls. To further confirm the excellent performance of Osmany in Pool A, should also be remarked his fourth place overall in the ace rating (12 winning serves in twenty four sets played; better than him only Stanley, Tzourits and Grozer) and the fourteenth place in the bombers rating with 102 points, after his captain Matey Kaziyski.

"Year 2010 has begun for me in a great way and I hope that it will continue in the same way – said Juantorena – I receive this award thanks to my team; without the help of my team-mates and without my wish to train myself doing my best I would not have reached this prestigious award. I am not satisfied only for this reason; I can still grow and I have bigger aims to gain in this season. The award as best spiker is not enough, I want to win the Champions League!"
