## **2012 CEV Volleyball Champions League**

### **MATCH PREVIEW**

*(press info for immediate release)*

Trento, Italy, January 11, 2012

### **TRENTINO PLANETWIN365 WILL BE PLAYING ON WEDNESDAY ITS LAST HOME MATCH HOSTING SERBIA'S PARTIZAN BEOGRAD**

TRENTINO PlanetWin365 has to play the fifth match for the prelims of the 2012 CEV Volleyball Champions League. After scoring a 1-3 away win against Monza, the Italian triple champions are currently ranked first in the Italian national league together with Macerata.

The team of the Bulgarian Radostin Stoytchev need only one point to qualify – that means minimum one set in the remaining matches.

**THE LATEST FROM TRENTINO PLANETWIN365** The headcoach Stoytchev can rely on all his players and is likely to go for the usual starting six with Steve Brinkman to be probably replaced by Matteo Burgsthaler.

In the away match, played on November 27 in Beograd, Partizan Termoelektro had been outplayed without particular problems but on Wednesday could be a different story. The hosting team could feel the tiredness due to his very tight schedule; TRENTINO participate in three competitions: Italian National League, CEV Champions League and Italian Cup.

**IN THE WORDS BY...** *"We have the great opportunity to secure the leadership in POOL C in advance and we will do everything to make it, in order to face CAI Teruel more relaxed - says the coach of TRENTINO PlanetWin365 **Radostin Stoytchev** - . We do not have to underestimate our opponents, thinking about the easy win in the away match in Serbia. Partizan Termoelektro is a very young team with some talented individual players that are growing very well; and give them space to play could be very risky. We need to be convinced and determined from the first to the last point of the match.*

**REFEREES** TRENTINO PlanetWin365 – Partizan Termoelektro Beograd will be refereed by the international staff: the first referee, the Swisser Stephan Grieder and the second one Juan Pont (Esp).

**MEDIA** - The game will be broadcasted live by Italian sat channel Sportitalia starting from 20.30 pm and from the local radio Radio Dolomiti.
