**2022 CEV Champions League, 4th Round, Pool E, 3rd Leg
Trentino Itas-As Cannes Dragons
Pre Home Match press release**

1. After almost a month of break, the 2022 CEV Champions League comes back on the field to compete for the third round of the group phase. Trentino Itas will play in this occasion the second home event in its Pool E, playing against the French Champions of As Cannes Dragons, the only team that has not gained points in the round yet. Starting time at 20.30 p.m.
2. The points to be won in this occasion are particularly important for Trentino Itas that at the moment is in the second place in the ranking together with Fenerbahce. So as to keep fuelling the dream for the qualification to the quarter final (where all the first classified of the five rounds and the best three second access), a victory within at least four sets is needed. Because in the next turn the yellow-blue team will play the direct match in Turkey against Fenerbahce (January 26th).
3. The match of Thursday evening will be the first one for Trentino Volley and As Cannes Dragons. These teams have never played against one another before this occasion. Trentino Volley brags a long tradition against French teams. In the archives there are 10 matches (6 against Tours, 2 vs Chaumont and 2 vs Beauvais) with 7 victories of Trento who has always won the home matches against transalpine teams (5 out of 5).
4. On Thursday, Trentino Volley will play its 914th match in its history, the 189th international one, the 107th in CEV Champions League, competition in which there are 83 victories and 23 defeats. At BLM Group Arena, Trentino Volley won 42 out of 48 match played in Champions League. The last defeat was almost two years ago on February 13th 2020: 1-3 against Civitanova.
5. **Angelo Lorenzetti**, Coach of Trentino Itas, can count on all the thirteen players of the roster and presents the match as follows: *"This is a match we shall not fail because we know well how it is important to always achieve the maximum of the points possible in this kind of event if we want to pass the turn. We want to reach the away game in Istanbul at the end of January without regrets. To do so, we certainly need three points on Thursday evening, without forgetting the value of the French team and the beauty to be able to play this competition, which we should not take for granted"*.
