**2022 CEV Champions League  
Quarter Final, Home match  
Trentino Itas-Berlin Recycling Volleys  
Pre Home Match press release**

1. The match of the 2022 CEV Champions League quarter-finals between Trentino Itas and Berlin Recycling Volleys will be played on Thursday, March 10th at 8:30 pm at the BLM Group Arena. The drawing of lots that took place in Luxembourg on February 18th brought together the two teams that had already fought for the passage to the next round of the same draw in the previous edition. On that occasion, Trentino Itas won both games (3-1 in Berlin on February 25, 3-0 in Trento on March 3, 2021).
2. The first match of the quarter-finals, to be played immediately after the weekend dedicated to the Italian Cup Final Four (which saw Trentino Itas on the second place), will mark the fourth ever appearance of the Berlin Recycling Volleys at the BLM Group Arena in Trento and will confirm the tradition that the Germans have for their play away to Trento in the month of March. In addition to the very recent precedent of last year's edition, the team from the German capital made two other appearances, in 2013, when the facility in Via Fersina was still called "PalaTrento": the first occasion in March (on the 6th) for a pre-Play Off Scudetto friendly (3-1 win for the hosts), the second on October 24th, in the debut match of Pool D of the Champions League (another 3-1 win for the locals).
3. In the Gialloblù roster there are two players who can boast about precedents in the Berlin Recycling Volleys: the libero Julian Zenger, in the team of the capital (with which he won two titles) in the previous two seasons, and the middle blocker Srecko Lisinac, who wore the *arancionero* in the 2013/14 season (in which he also faced Trentino Volley twice and won the Bundesliga).
4. In the previous ten participations in the Champions League, Trentino Volley always managed to access the final draw of the event, centering the qualification to the quarterfinals in no less than nine cases (until the 2018 edition, the round of 16 was also scheduled). In the 2013 edition, the only precedent in which the club's path stopped in the eight round, when it was eliminated by Dinamo Moscow at the Golden Set. In six cases out of nine, the Gialloblù team has passed the quarterfinals and reached the semifinals: 2009, 2010, 2011 (all three ended with the final victory of the trophy), 2012 (third place), 2016 (second place) and 2020 (second place).
5. **Julian Zenger (Trentino Itas):** *"I'm very happy to be able to challenge my compatriots; many of them are real friends. In Berlin, in the return match, the arena and the environment will be very warm, because this team is living an exciting season, both in Germany and in the Champions League, as the two victories at home in St. Petersburg clearly show. So a difficult task awaits us, especially because we will play the return match away, but in this case there will be some Germans present to cheer us on: my family".*
