2023 CEV Champions League, Pool D, Game Day 4
Trentino Itas-CEZ Karlovarsko
Pre Home Match press release

1. The first match of the second half of the season of Pool D of the 2023 CEV Champions League between Trentino Itas and Grupa Azoty Kedzierzyn-Kozle will take place on Thursday 15th at 8.30 pm at the BLM Group Arena in Trento. The hosts arrive at this appointment fresh from their second place at the 2022 Club World Cup on Sunday in Betim, Brazil, and as leaders of the group standings, the only team still unbeaten. The Czech team, on the other hand, is fresh from its first victory of the season in Europe, obtained at the end of November at home against Menen.
2. Trentino Itas intends to win this match; in the event of success with any scoreline it would already be mathematically qualified for the Playoffs of the tournament two days in advance because it would obtain its fourth victory and would therefore be sure of at least the second place, given that the third in the standings is precisely Karlovarsko (only one victory).
3. For CEZ Karlovarsko this is the second match in its history at the BLM Group Arena, the first one it played two years earlier (3 December 2020), losing 3-1 in a match also valid for the group stage of the CEV Champions League.
4. Against teams from the Czech Republic, Trentino Volley has always been successful: eight victories in as many official matches, taking into account also the four wins against Ceske Budejovice, one won against Pribram in the qualifying phase of the 2005 CEV Cup and the three won against Karlovarsko (the last one a month ago in Karlovy Vary 3-1).
5. Trentino Itas will face the match without only their spikerr Oreste Cavuto, who has been out for almost a month due to an abdominal injury

Angelo Lorenzetti (Trentino Itas Head Coach): *'We want to keep running in the Champions League and the only way to do that is to win without losing any point. We know well the value of the opponent, who already in the first match a month ago had been able to put us in difficulty, but in front of our audience we must impose our game; this is a delicate match, we have just returned from Brazil and we will not have great forces at our disposal. The mental component will therefore have to make the difference'.*
