**2023 CEV Champions League, Quarter Finals, Away Match
Trentino Itas-Grupa Azoty Kedzierzyn-Kozle
Pre Match press release**

1. On Thursday 16th at 8.30 p.m. at the BLM Group Arena in Trento, there will be the second round's match of the quarterfinals, and will see Trentino Itas against Azoty Kedzierzyn-Kozle. After the five sets played on Tuesday, March 7th, the two teams who marked the two previous editions more than anyone else, are once again competing for the final scoreboard. This match will determine the Semifinal qualification.
2. The team starts again after the Polish team 3-2 victory in the first match, so they only need to win the match by any score to go ahead. In contrast, Trentino Itas has to win a maximum of four sets to go ahead; the play-off golden set will only be played in the case of a tie-break victory for the hosts.
3. This is the fourth seasonal match between the two Clubs, taking into account that the first leg match and the pool D matches of the first phase were marked by Trentino Itas victories: 3-1 on November 26th at the BLM Group Arena and 3-2 in Poland on January 25th.
4. The two clubs have a background of many direct matches in the European Cups, in fact Kedzierzyn-Kozle is the foreign team that Trentino Volley faced the most, with thirteen official matches, five in the last three editions. Along with the two last recent (May 1st 2021 in Verona, 3-1 for the Polish team and May 21st 2022 in Lubiana, 3-0 for the Polish team), the competition between the two teams was already seen in the pool phase of 2012, 2013 and 2018 editions of the Champions League and in the CEV Cup semifinal 2015. The tally is 7-6 for Trento.
5. Trentino Itas will get in the game with all of his members and it comes from Sunday's 3-0 victory against Modena, in the last match of the Italian championship and thanks to this result, the team obtained the 2nd place in the rankings.

Angelo Lorenzetti (Trentino Itas Head Coach): *"The first leg's match was highly-fought and there were plenty of overturns, but it has given us a result that allows us to go on with the race to the qualifications and gives us a few more chances. We will have to play a tough game to prevail over a very close team that always plays a powerful volleyball and never drops below a certain level. We will give everything because we want to continue our European run".*
