2024 CEV Champions League, Semifinal, Home Match
Trentino Itas-Cucine Lube Civitanova
Pre Home Match press release

1. At the iLT quotidiano Arena in Trento on Wednesday, March 13 (starting time: 8.30 pm), the first leg of the 2024 CEV Champions League Semifinal will be played. Trentino Itas takes on Cucine Lube Civitanova in the first of two Italian derbies that will award a place in the SuperFinal on May 5. The challenge will thus allow the Italian SuperLega to be represented once again in the Final, as has already happened in four of the last five editions.
2. Trentino Itas comes to this match without its starting setter Riccardo Sbertoli, who injured his left hand (fractured little finger, he will be out for a month and a half) in the previous Champions League match: the quarterfinal return match against Berlin on February 29. In his place will play Alessandro Acquarone and as an alternative on the bench will be Frenchman Matthieu Garcia, bought a week ago from Arago de Sète.
3. In four of the previous seven semifinals played in the Champions League, Trentino Volley had already played an Italian derby; in addition to the recent ones in 2021 and 2022 against Perugia, there are also two other challenges with Lube on the record: 4 April 2009 in Prague (Czech Republic, success in three sets at the O2 Arena) and 16 April 2016 in Krakow (Poland, 3-0 success at the Tauron Arena).
4. Challenging Civitanova in the semifinal of a competition has now become a constant, even in the international field. In total, Trentino Volley and Cucine Lube played eleven semifinal matches against each other, distributed in this way: once in the Club World Championship (2021), twice in the Champions League (2009 and 2016), four times in the Play Off Scudetto (2010, 2019, 2021, 2022), three times in the Coppa Italia (2016, 2019 and 2020) and once in the Supercoppa Italiana (2020). Trento's balance sheet consists of four passages of the round and seven eliminations.
5. Trentino Volley already has sixteen Italian derbies in European cups on its books; in addition to the eight matches against Lube, there are also two against Piacenza (2017 CEV Cup quarterfinals) and six against Perugia (2021 semifinals, 2022 group stage and 2022 semifinals).

Marko Podrascanin (Trentino Itas player): *"We know our opponents very well, in recent years we have challenged them in all kinds of events and during the season we have already beaten them twice, but obviously on Wednesday we will start completely from scratch also because we will play without Sbertoli. We must think we can try to take one step at a time towards our goal."*

Alex Nikolov (Cucine Lube Civitanova): *"For our team the key of this match will be to erase the last two domestic games, in which we had bad defeats, and return the good team that played a great Champions League tournament until now, with the right confidence and hunger for win. We will try to do our best with the advantage that in the rotations we won't have to force fits between Italians and foreigners, as we must in the Italian SuperLega. We want to reset and be ready. In Trento we will face a big quality team. I am sure it will be a battle and I hope very much that Cucine Lube will come out on top, as we are going to play for the qualification to the Super Final of the most important European clubs competition".*
